Subject: Friday Meeting with EPA R6 on AR RH

Hi Stuart and Will,

I have been tasked with setting up the AR RH meeting on Friday when ADEQ is in R6. The meeting is tentatively scheduled for 4 pm. My understanding is that the Crossett meeting may get out earlier so the AR RH meeting could take place potentially a little earlier. I can reserve a conference line for Will to call in and participate and intend to send out a calendar invite shortly. I wanted to check with you whether we should invite AR AG and DOJ to listen to our meeting. I thought that they might benefit from hearing first-hand what our plans are versus hearing it later in case something gets lost in translation. When we had settlement talks with OK about a SIP to replace our SIP, we had the AG and DOJ listen in. In the end, it was quite beneficial since the AG and DOJ, based upon hearing what ODEQ and EPA wanted, came up with the appropriate settlement instrument that was approved by the court. Give it some thought and let me know what you think.

Thanks,
Barbara
